Pentacomm Knowledge Base

Welcome to the Pentacomm documentation portal. Here you'll find operating manuals for your appliance and a catalogue of known issues with their resolutions.

Expert Manuals

In-depth guides for configuring and operating your Pentacomm appliance — SIP trunks, call center, IVR, call recording, and licensing.

→ [Browse Expert Manuals](#)

Known Issues

Symptoms you may run into and step-by-step fixes. Search by the error message or the behaviour you're seeing.
